Obuwanguzi Bw'okukkiriza

*Olugendo lwa Mwannyinaffe
Campbell okuva mu
bugumba okutuuka ku mukisa*

Okumala emyaka emiwanvu kkumi n'etaano, Obulamu bwa Felician bwasa eddungu eritaliiko bimera. Naye wakati mu kuzikirizibwa kuno, essuubi lyasigalawo.

Mu kibuga eky'England mu Bunge-reza, mwannyinaffe Felician Campbell mwe y'abeeranga ebyamagero gye bitatera kubaawo. Obulamu bwe bwali bujulizi obw'okukkiriza okutakyukakyuka n'amaanyi g'ekisa agataliiko kkomo. Oluvannyuma lw'okufumbirwa, Felician yalindirira n'essanyu essanyu ly'okufuuka maama. Kyokka, emyezi bwe gyagenda gifuuka emyaka, okusuubira kwafuuka ennaku esirifu. Obubonero obwali busuubirwa obw'obulamu munda mu lubuto lwe tebwalabika, era essuubi lyatandika okukendeera.

Abasawo, n'obutuufu bwabwe obw'obujjanjabi, baazula nti alina" enkwaso embi" ku ludda olwa kkono, embeera gye baalangirira nti tesobola kukyuka. Ne bwe baalina engeri y'okunoonyereza ku ngeri endala ez'okuyingira mu nsonga z'abasawo, abakugu baakakasa enteekateeka ey'ennaku: Felician yali tasobola kuzaala baana.

Ensala eno teyali kibonerezo kya bujjanjabi kyokka wabula yali mugugu munene ku mwoyo gwe. Akabonero k'obugumba kaamunywererako, akabonero k'ensonyi mu bantu abaali benkana bagamba nti okubeera omukyala kye kimu ne maama.

Wadde nga bba yali amuwa obuwagizi obutasalako, Felician yawulira ng'alumwa ensala enkambwe ey'abantu. Ab'omu maka n'emikwano, abaali kumpi kati bakuma ebanga lyabwe abamu ne batuuka n'okusekerera embeera gye yalimu. Obuzito bw'okunyooma kwabwe bwamugoba okweyawula. Okubeerawo kwe okwali kujjudde amaanyi kwaggwaawo, ne kudda mu kifo ky'ekisiikirize ky'omuntu we eyali, ng'obuzito bw'ebirowoozo n'ennewulira bwe byalabika mu mubiri; ya kendeera mu buzito bw'omubiri, ng'amaanyi ge gaggwaawo olw'okuggwaamu essuubi.

Okumala emyaka kkumi n'etaano emiwanvu, obulamu bwa Felician bwali ddungu eritaliiko bimera. Naye wakati mu kuzikirizibwa kuno, okuwuuma kw'essuubi kwasigalawo. Ku lunaku olulabika nga lwa bulijjo lwe yasisinkana ekisa eky'enjawulo eky'omusajja wa Katonda ow'ekitiibwa ennyo, Nabbi Uebert Angel. Ng'agenda mu Spirit Embassy e Bunge-reza, Felician yakwatagana ne Nnabbi mu ngeri ennyangu eyali eyo kumukwata mu ngalo zokka. Kyokka, akaseera ako kaali ka bulijjo.

Yassa omukono gwe, kati ogwali gujjudde okufukibwako amafuta ga Nabbi, ku lubuto lwe n'awulira ng'amaanyi gakulukuta. Mu kaseera ako, yamanya nti ekyamagero kye kyali kitandise.

Nga wayise wiiki bbiri, nga yeebase, Nabbi Angel yamulabikira mu kwolesebwa, ng'alangirira n'obutuufu obw'obwakatonda nti yali lubuto lwa wiiki bbiri ddala, eddakiika bbiri, ne sikonda amakumi asatu mu nnya. Felician bwe yali azitoo-wereddwa, yayanguwa okugenda eri abasawo abaali bagobye essuubi lye. Okukeberegwa kwakakasa kye yali amanyi edda mu mutima gwe: yali lubuto. Abasawo beewuunya nnyo. Abakugu, edda abaali boogera ku bintu ebitasoboka, baakunghanana nga tebakkiriza, nga balaba ekyamagero ekyasomooza obukugu bwabwe.

Felician yannyonnyola enkyukakyuka mu ngeri ennyangu: yali asisinkanye omusajja wa Katonda, Nabbi Angel, era okuyita mu kisa kye, embeera ye yali ekyusiddwa mu ngeri ey'ekyamagero. N'abasawo abaali babuusabuusa baanoonya Nabbi Angel, nga balaba ku lwabwe amaanyi ag'obwakatonda agakola mu ye.

Olubuto lwe lwagenda mu maaso nga tewali kizibu kyonna. Ekiseera bwe kyatuka, yazaala omwana omuwala omulamu obulungi era omulungi mu ssaawa emu, obujulizi ku kuyingirira mu ngeri ey'ekyamagero gye yali afunye. Olw'okuba Felician yafuna amaanyi olw'ebyo ebyo bye yayitamumu, okukkiriza kwe kweyongera okunywera. Yaddamu okunoonya omukisa gwa Nabbi. Nate, okusika omukono kwakyusa okufukibwako amafuta okw'obwakatonda, era nate, n'afuna olubuto. Olubuto lwe olw'okubiri lwali luweweewu ng'olwasooka, ekyaleka abasawo nga basobeddwa era nga bawuniikirira olw'ekyamagero.

Abakugu bano bakakasizza nti enkwaso za Felician zaali zizze buggya mu ngeri etegeerekeka, era abasawo ne bategeeza nti olubuto n'enkwaso zaali ng'eza omuwala ow'emyaka kumi na munaana (18). Kati yali asobola okufuna olubuto n'okuzaala abaana bangi nga bwe yali ayagala. Ensonga ye yafuuka ettaala y'essuubi,

essomo ly'okusoma eby'obusawo n'obujulizi obw'okukkiriza okuwangula ssaayansi. Obusobozi bw'omuntu we bwakoma, okuyingira mu nsonga okw'obwakatonda kwatandika, n'okufuula obugumba okuba obugagga.

Emboози ya mwannyinaffe Felician Campbell si ya kyamagero kyokka eky'okuzaala omwana; kikwata ku buwanguzi bw'okukkiriza, amaanyi g'ekisa eky'obwakatonda, n'okukkiriza okutakyuka nti omuntu w'alemererwa, Omusawo Yesu awonya. Okuyita mumukono gya Nabbi Uebert Angel, obulamu bwa Felician bwakusibwa, nabaana ye yaweebwa omukisa, era omwoyo gwe gwazibwa buggya, okulaga ebisoboka ebitaliiko kcomo eby'okukkiriza n'ebyamagero bye kuyinza okubikkula.

Yeebaza nnyo Nabbi Uebert Angel olw'okukyusa ennaku ye nagifula essanyu eritaliiko kcomo. Kati bw'atunuulira bawala be ababiri ab'omuwendo, omutima gwe gujjula essanyu n'okwebaza. "Webale nnyo Musajja wa katonda, obulamu bwo bujjule emikkisa egitaggaawo n'okukulaakulana."

Olubereberye 2:7

Mukama Katonda n'abumba omuntu mu nfuufu ey'ettaka, n'assa mu nnyindo ze omukka ogw'obulamu okuggumiza; (essira lyayongerwako); omuntu n'afuuka emmeeme ennamu.

Kati, mu Olubereberye essuula 2, olunyiiriri 19 ne 20, Katonda amala kutonda bisolo era tabifuuwa mukka gwa bulamu. Weetegereze ekibaawo mu kifo ky'ekyo mu lunyiiriri 19:

Olubereberye 2:19

Mu ttaka Mukama Katonda n'atonda buli nsolo ey'omu nsiko na buli nnyonyi ey'omu bbanga; era n'abituusa eri Adam (essira lyayongerwako) okulaba ky'anaabayita...

Lwaki Katonda teyassa mukka gwa bulamu mu bisolo, era lwaki yabireeta eri Adamu? Wano we wali okubikkulirwa.

Egigambo 'kiki' mu lunyiriri 19 kirina amakulu ge gamu n'engeri, n'ekigambo 'otya' kulina amakulu ge gamu n'ago mu Abaruumi, Katonda gy'amanyiddwa nga Oyo"ayita ebintu ebyo ebitali nga bwe biri." Oyinza okwebuza lwaki ekyo kikulu era kiki ekyo kikwatagana n'ekitundu ky'okugamba eky'okuzimba okukkiriza olw'okuwona, sigala nange wano na kunnyonyola.

Bw'oddamu okutunuulira alunyilili mu lubereberye 2:19, ojja kukitegeera nti newankubadde Katonda yatonda ebisolo n'abibumba okuva mu ttaka, n'abifula okulabibwa mu mubiri, si ye yakola obutereevu ebisolo okutambula. Kati, kino tokisubwa! Naye obugagga buno tubulina mu bibya eby'ebbumba, obuyinza obusinga obunene bubeere bwa Katonda, so si bwaffe.

Kati, Katonda yatonda omuntu okuva mu ttaka n'amufuuwa omukka okumufula omulamu, naye bwe kytuuka ku bisolo, yabitonda byokka n'abitwala ewa Adamu. Ekyo kyawa Adam omukisa okukozesa obusobozi bwe obw'OKUGAMBA, era Adamu n'ayita ebisolo okutambula emitendera gyabyo egyasooka! Kino kyevoleka bulungi nnyo bw'otunuulira olunyiriri oluli mu Olubereberye 2:19 kye lugamba mu lulimi olw'olubereberye:
